Mr. William S. Sessions
Director, Federal Bureau of Investigation
10th and Pennsylvania Avenue, NW
Washington, D.C. 20535

Dear Director Sessions:

The purpose of this letter is to provide you the inclosed documents pertaining to a *Freedom of Information* request submitted to your agency.

Your attention is solicited to comments in my letter, of this date, to Mr. Kevin O'Brien. It is almost inconceivable, at this date, that your agency would act in this fashion. Responses of the sort I was provided are precisely what fuels genuine, as well as irrational, speculation regarding this crime and thwarts legitimate research.

Understanding the system as I have come to appreciate it, I do not expect you to act on this matter. However, I felt encumbered to express my concerns regarding your agency's response directly to you.

Sincerely,

John W. Masland
